Nací en Santo Domingo el 18 de Agosto de 1996, Soy egresado del taller de Artes Gráficas como Diseñador Gráfico de ITESA. Descubrí la escuela Altos de Chavón por medio de otros estudiantes egresados de ITESA y eso me motivó a entrar aquí. Me gusta dibujar, oir música, tocar guitarra, jugar video juegos y dormir. Me la paso jugando League of Legends con mis amigos en mi tiempo libre la mayoría del tiempo. Siempre se me ha hecho fácil aprenderme los idiomas (o eso creo), se hablar inglés, aprendí un poco de francés, pero se me olvidó ya que no me gustaba.
